

Instructions for Preparing the Manuscripts for Publication in the Proceedings of the SSSS 2018 Conference

Author1, Author2, and Author3

Abstract - In this paper the instructions for preparing camera ready papers for the Conference SSSS 2018 are given. The recommended but not exclusive text processor is Microsoft Word 97/2000/XP/2003/2007/2010 (.doc or .docx)

Keywords - Camera ready papers, Proceedings of papers.

I. INTRODUCTION

In order to affect high quality of SSSS 2018 Proceedings of Papers the authors are requested to follow instructions given in this sample paper. The deadline for receipt of camera-ready papers is January 1th, 2018. The contributed papers must not be less than 4 pages, and must not exceed 8 pages (even number of pages is recommended).

Authors are requested to submit manuscript in PDF format using Easy Chair platform.

(Please find Instructions for Easy Chair submission at <http://ssss.elfak.ni.ac.rs/2018/paperSubmission/>).

II. INSTRUCTIONS FOR AUTHORS

A. Page Layout

Times New Roman 10 points font should be used for normal text. The columns on the last page should be adjusted to approximately same heights. Paragraphs are indented 5 mm. The manuscripts must be prepared using A4 size white bond paper (210×297mm), with the text area of 174×234 mm. The margins are given in Table I. Abstract (about 50 words) and keywords (up to 5 words) should be given in the beginning of the paper using 9 point font.

B. Title, Author and Affiliation

Title must be centred, written using 22 pt font. The spacing between title and authors lines is 6 pt. Author's names (without affiliation) should be typed using 14 pt font. Author's affiliation (institution, address and e-mail) should be given in the bottom of the first column using 9 pt font.

Author1 and Author2 are with the Institution1 Title, Institution1 Adress, E-mail: author1@e-mail1, author2@email.

Author3 is with Institution3 Title, Institution3 Adress, E-mail: autor3@e-mail.

TABLE I
PAGE LAYOUT DESCRIPTION

| | |
|----------------|-------|
| Paper size | A4 |
| Top margin | 20 mm |
| Bottom margin | 43 mm |
| Left margin | 18 mm |
| Right margin | 18 mm |
| Column spacing | 5 mm |

C. Sectioning

Regular paper may be divided in a number of sections. Section titles should be typed using 12 pt font in a SMALL CAPS option. For numbering use Roman numbers. Sections can be split in subsections which should be typed 10 pt *Italic* option. Both section and subsection titles should be separated from the text by a blank line.

D. Equations

Equations should appear in a separate line from the text with a blank line above and below. The equation number should appear in round parentheses and flush with the right margin, as shown in the example of Eq. (1):

$$i_c^{n+1} = C(p^{n+1}) \cdot (A \cdot v_c^{n+1} + B_v^n) \quad (1)$$

Long equations can be split across multiple lines, as shown in the example of Eq. (2):

$$\begin{aligned} i_c^{n+1,m+1} = & i_c^{n+1,m} + G_v^{n+1,m} \cdot (v_c^{n+1,m+1} - v_c^{n+1,m}) + \\ & + G_p^{n+1,m} (p^{n+1,m+1} - p^{n+1,m}) \end{aligned} \quad (2)$$

E. Figures

Figures should be one column wide. If it is necessary using two column wide figures is allowed but in that case figure must be located on the top of the page. Photographs must be made on a glossy paper. Each figure must have a caption under the figure. For the figure captions 9 pt font should be used.

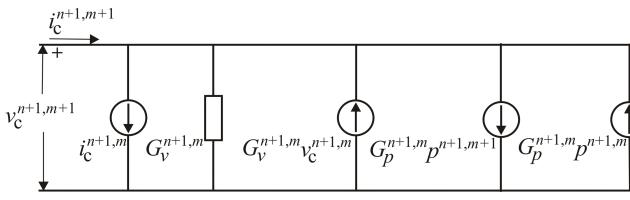

Fig. 1. The linearized and discretized model of the capacitor controlled by pressure

F. Tables

Tables also should be made as one column. In some rare cases it is allowed to use two column tables on the top of the page. Tables must have caption located above the table. Table captions should be written using 9 pt SMALL CAPS font. Example is Table I given above.

G. Referring

When you refer to an equation, a figure, a table, a section or a literature reference in the text of the manuscript please use the following expressions: Eq. (I), Eqs. (1) and (2), Fig. 1, Figs. 1 and 2, Table I, Tables I and II, Section I, Sections I.1 and I.5, [1], [2].

III. ADDITIONAL REMARKS

The manuscript prepared according to these instructions should be submitted by the deadline given at <http://ssss.elfak.ni.ac.rs/2018/importantDates/> (not later than January 1st, 2018).

IV. CONCLUSION

In this paper the instructions for preparing camera ready paper for including in the Proceedings of Papers of the Conference SSSS 2018 are given.

ACKNOWLEDGEMENT

For the acknowledgement use unnumbered section layout.
